The story of **MEGA MAN** MEGAMIX

IN THE YEAR **20XX**,
THE WORLD IS A PLACE
WHERE **HUMANS** AND
ROBOTS LIVE SIDE BY SIDE.

ADVANCEMENTS IN SCIENCE
HAVE PRODUCED
HUMANOID MACHINES
WITH **SOULS**.

THE BIRTH OF MEGA MAN

Rock used to be a household helper robot enjoying a peaceful life with Dr. Light, his creator and the leading scientist in the field of robotics. One day, industrial robots in various regions started behaving in a violent and erratic manner. Dr. Light immediately began looking into the possible causes for this robotic chaos, and soon discovered that the six "Light Numbers" robots that he had created himself were the ones sending out commands to the affected robots. Knowing that it would mean fighting his own brothers, Rock took it upon himself to have Dr. Light convert him into a combat robot. This is how the combat robot "Mega Man" was born... but will it be enough!?

R DESTRUCTION ORDER

Despite being released from Dr. Wily's control, the public demanded the destruction of the six Light Numbers who were considered responsible for all of the destruction that had befallen the city. Having refused to accept this judgment, Mega Man was headed to the robot destruction facility where the Light Numbers were being held when he was ambushed by Wily Numbers. With Mega Man successfully detained from his rescue mission, the Light Numbers were instead released from their bonds by Dr. Wily's Wood Man. In return for their freedom, Wood Man informed the Light Numbers that they were to swear fealty to Dr. Wily from that point forward. Meanwhile, Dr. Wily had declared war on the entire world. In order to save the world from Dr. Wily's scheme, Mega Man headed for the ambitious scientist's home base, aided by the new invention Item 2 provided by Dr. Light.

DR. WILY

METAL HEART

Dr. Light, Mega Man and friends were invited to the inauguration ceremony for the third generation Mother Computer. During the ceremony, Yellow Devil Mk-II, one of Dr. Wily's larger robots, began rampaging through the city. Mega Man departed to try and put a stop to the destruction, but ran into a team of Wily Numbers before reaching Yellow Devil Mk-II. Surprisingly, the Wily Numbers hadn't been sent to hinder Mega Man's efforts. As it turned out, the Wily Numbers were sent by Dr. Wily to subdue Yellow Devil Mk-II. With similar goals to unite them, Mega Man and the Wily Numbers agreed to forge a temporary alliance until Yellow Devil Mk-II's rampage was ended. What they later came to realize was that Yellow Devil Mk-II had a very specific reason for his seemingly vicious outburst.

GRIM REAPER OF RESURRECTION

With his beloved daughter Kalinka held hostage by the devious Dr. Willy, Dr. Cossack was forced into helping Dr. Willy until Mega Man was able to once again save the day. Afterward, Dr. Cossack was seen on television being interviewed about a bestselling book that he had written when a mysterious robot barged into the studio and abducted the celebrity scientist. Mega Man and his friends barely had time to comprehend the crime they had just witnessed on live television when a beaten and battered Ring Man arrived on their doorstep, bringing dire news of an attack on Dr. Cossack's laboratory. Mega Man and Roll immediately set out to see if they could find out who was behind both the attack and the abduction.

WARRIOR'S DAY OFF

Cut Man and his friends were on their way home from work when they noticed Dark Man trying to commit a crime. The Light Numbers rushed over to try and stop Dark Man, but were beaten to the punch by a mysterious figure in a dark coat. To add to the confusion, an unidentified robot burst onto the scene accompanied by a wolf robot, and proceeded to challenge the mysterious figure to a fight. Dismissing the newcomer's challenge, the mysterious figure departed the scene. A few days later, Mega Man and his friends arrived at an amusement park, hoping to enjoy a fun day off from their usual duties, but were surprised to find that the Wily Numbers were already there. Stranger still was the fact that the Wily Numbers were not there to cause trouble, and instead seemed to be working at the amusement park. Despite their suspicions regarding the Wily Numbers' intentions, Mega Man and his friends attempted to enjoy the numerous attractions at the park until the unidentified robot Cut Man and the others had encountered a few days prior disrupted their fun. Introducing himself as Bass, the unfamiliar robot declared himself to be the strongest robot in the world, and proceeded to challenge Mega Man to a fight.

POWER BATTLE

Out of sheer coincidence, Dark Man and a few others randomly spotted Roll out on the town. Since Mega Man wasn't accompanying her, Dark Man's little band felt that this was their best chance to capture Roll and offer her up as a prize to Dr. Wily in exchange for greater rank and prestige among the Wily Numbers. Cornered in a dark alley, the terrified Roll could scarcely believe her eyes when Bass arrived to rescue her from the clutches of Dark Man's crew. It wasn't until after he had successfully rescued Roll that Bass realized how such a valuable hostage may work in his favor. Before Roll had time to breathe a sigh of relief, she was a victim once again; this time as a captive of Bass. Once Mega Man received news of Roll's abduction, he realized he had no choice but to accept Bass's invitation to the battlefield.

PROTO MAN
DOCTOR LIGHT NUMBER.000

THE GREATEST ENEMY IN HISTORY

A year had passed since the founding of the World Robot Alliance (WRA). In hopes of preventing any future attempts at world domination by Dr. Wily, the WRA commissioned robotic engineers from all over the world to create robots of peace that could defend against potential attacks. In order to display the results of their efforts to the world, the WRA decided to hold a robot tournament. During the tournament, the chairman of the WRA, a man known only as Mr. X, announced that he would be using these new robots of peace to take over the world, and revealed himself to be none other than the infamous Dr. Wily. Once again, it fell to Mega Man to put an end to Dr. Wily's dark ambitions. Upon realizing that his plans had been thwarted yet again, Dr. Wily begged Mega Man for mercy. Surprisingly, Mega Man's response was to fire his Mega Buster into Dr. Wily at point blank range, without a hint of hesitation. As the body fell to the floor, it became apparent that it was nothing more than a decoy robot created to look like Dr. Wily. The real Dr. Wily, who had been watching the entire encounter on a monitor, was momentarily taken aback by Mega Man's merciless actions, but as a dark understanding dawned on him, Dr. Wily's mouth twisted up into a sinister grin. It wasn't long after peace had once again been restored to the world that Dr. Light was suddenly arrested. As it turned out, Mega Man had inexplicably announced that he would annihilate the entire human race. No one could explain why Mega Man would threaten the humans he had fought so hard to protect, and the truth that was eventually revealed shook everyone to the core.

THE ACCUSED,
ALBERT W. WILY,
IS HEREBY
SENTENCED
TO 2000
YEARS IN
SOLITARY
CONFINEMENT.

SOLITARY

JUDGMENT...

HUMANS
AND ROBOTS
ALIKE REJOICED,
FOR THIS
JUDGMENT
WOULD BRING
PROLONGED
PEACE AND
HARMONY TO
THE WORLD.

IN THE YEAR
20XX, AFTER
A LONG STRUGGLE
AGAINST MEGA
MAN, DR. WILY
WAS FINALLY
ARRESTED AND
SENTENCED FOR
HIS CRIMES.

...OR SO
THEY
THOUGHT...

THE ASTEROID
MEASURED
200 KILOMETERS
ACROSS, AND WAS
NAMED "ALPHA" BY
THE TEAM THAT
FOUND IT.

A TEAM
OF SPACE
EXPLORATION
ROBOTS CAME
ACROSS AN
ASTEROID THAT
HAD ORIGINATED
FROM SOMEWHERE
OUTSIDE OF
OUR SOLAR
SYSTEM.

THE BUILDINGS
WERE ALL
ABANDONED,
BUT EXAMINATION
OF THEIR
ARCHITECTURE
SUGGESTED THAT
THEY BELONGED
TO A CIVILIZATION
FROM A PLANET
OTHER THAN
EARTH.

ON THE
ASTEROID'S
SURFACE, THE
EXPLORATION
TEAM DISCOVERED
SOME RUINS.

THE
CRYSTAL
PROVED TO BE
A TREMENDOUS
SOURCE OF
ENERGY, THE
LIKES OF
WHICH HUMANS
HAVE NEVER
KNOWN!

FURTHER
EXPLORATION
OF THE RUINS
LED THE TEAM
TO A TEMPLE
WITH AN ALTAR
HOLDING A
SINGLE,
BRILLIANT
CRYSTAL.

AUTOMATED
DEFENSE UNITS
SOON FILLED
THE RUINS,
AND OUR
EXPLORATION
TEAM WAS
DESTROYED.

THE RUINS
SUDDENLY
CAME TO
LIFE!!

THE
MOMENT AN
EXPLORATION
ROBOT TOOK
THE CRYSTAL
FROM THE
ALTAR,
HOWEVER...

FOUR
MONTHS
LATER, THE
CAPSULE
ARRIVED.

THE LAST
SURVIVING ROBOT
MANAGED TO PUT
THE CRYSTAL AND
SOME DATA INTO
A SMALL CAPSULE,
AND LAUNCH
IT WITH
COORDINATES
LEADING IT BACK
TO EARTH.

AS I SAID,
THE CAPSULE
THAT RETURNED
TO EARTH WAS
CARRYING
THE CRYSTAL
AND DATA
REGARDING
THE ASTEROID.

THAT'S A
FASCINATING
STORY,
LIGHT, BUT
I FAIL TO
SEE WHAT
IT HAS TO
DO WITH
ME.

AN ALIEN
CIVILIZATION
AND A NEW
ENERGY
SOURCE...

IF WE
COULD COLLECT
ALL EIGHT,
THE RESULTING
ENERGY COULD
RESOLVE
EARTH'S ENERGY
CRISIS FOR THE
NEXT ONE
THOUSAND
YEARS!

ANALYSIS
OF THE DATA
REVEALED
TO US THAT
THE ASTEROID
ALPHA IS
HOME TO
EIGHT OTHER
ENERGY
CRYSTALS.

HEE HEE
HEE

HA HA HA
HA HA
HA HA HA
HA HA
HA!!

I SEE!
NOW
I KNOW
WHY
YOU'RE
HERE!!

THE WORLD
GOVERNMENT
HAS MADE
THE DECISION
TO GATHER
ALL EIGHT
ENERGY
CRYSTALS,
BUT...

BOTH
OF
US.

NOT
JUST
YOU...

WHAT!?
THEY
WANT
ME TO
WORK
WITH
YOU!?

THOSE
FOOLS SENT
YOU DOWN
HERE TO BEG
ME FOR
ASSISTANCE,
DIDN'T THEY?

I BET
THEY WANT
ME TO CREATE
ROBOTS THAT
COULD DESTROY
THE RUINS'
DEFENSE UNITS
AND CLAIM
THE ENERGY
CRYSTALS FOR
EARTH!

Asteroid Blues

HAVE
DR. LIGHT
AND DR. WILY
FINISHED THEIR
WORK ON THAT
GIANT ROBOT?

WHAT WAS
IT NAMED
AGAIN?

GAMMA?

WILL
YOU ARRIVE
AT THE
ASTEROID
SOON?

IT'S
BEEN THREE
MONTHS
ALREADY
SINCE YOU
AND
DR. LIGHT
LEFT
EARTH...

ANYWAY,
I STILL CAN'T
BELIEVE THEY
LOADED IT ONTO
THE SHIP AS
INCOMPLETE AS
IT WAS.

THAT'S
ROLL AND
THE
OTHERS...

THEY'RE
BACK ON
EARTH!

LOOK,
RUSH...

I KNOW
THEY SAID
THEY COULD
SAVE TIME BY
FINISHING IT
UP ON THE
WAY TO THE
ASTEROID,
BUT I WORRY
SOMETIMES,
YOU KNOW?

WE JUST
HAVE TO
DO ONE
LAST
SYSTEMS
CHECK.

IT LOOKS
REALLY
STRONG...

WOW...

LOOK
AT THAT
THING!

HMPH...

WE COULD
HAVE BEEN
DONE DAYS
AGO IF YOU
WEREN'T
CONSTANTLY
SLOWING ME
DOWN.

THERE'S
NO NEED TO
APOLOGIZE,
DOCTOR!

I KNOW
IT MUST BE
HARD FOR
YOU TO BE
SO FAR FROM
HOME FOR
SUCH A LONG
PERIOD OF
TIME.

I'M
SORRY,
ROCK...

I'M
REALLY
ENJOYING
MY FIRST
SPACE
VOYAGE!

THAT
RE-
MINDS
ME...

NOT MANY
PEOPLE ARE
GRANTED THE
OPPORTUNITY
TO WITNESS
SOMETHING
LIKE THIS UP
CLOSE.

I FEEL
SO VERY
LUCKY.

...KOU

DR. LIGHT
AND
DR. WILY...

THE
TWO BEST
ROBOT
ENGINEERS
IN THE WORLD
WORKING
TOGETHER
TO BUILD
ONE GIANT
ROBOT...

I THOUGHT
I WAS TO BE
FREED AFTER
FINISHING
MY WORK
ON GAMMA?

THOSE
ARE OUR
ORDERS.

YOU
ARE TO
REMAIN
IN OUR
CUSTODY
UNTIL WE
RETURN TO
EARTH.

I GUESS
I'LL JUST
HAVE TO
FREE
MYSELF,
THEN.

I COULD

BUT IT
WASN'T
ME!

SO YOU'RE
THE ONE
RESPONSIBLE
FOR WHAT'S
HAPPENING
TO THE
SHIP?!

High Five

GROAN

WHAT IS THE MEANING OF THIS!?

THERE WERE ONLY FIVE OF US ABOARD WHEN THE SHIP LAUNCHED--

MYSELF, WILY, ROCK, AND THE TWO ROBOT GUARDS...

WE USED MOST OF THE SPARE PARTS TO CREATE RUSH AND REGGAE...

SO WHO ARE THESE OTHER STRANGE ROBOTS!?

HE
COULD NOT
HAVE BUILT
ANY SORT OF
COMBAT
ROBOT
DURING OUR
JOURNEY...!

THE
GUARD
ROBOTS
WERE
WATCHING
EVERY
MOVE WILY
MADE...

THE
ONLY
HUMAN
ABOARD
THIS SHIP
IS DR.
LIGHT.

DR. WILY
IS NOT
CURRENTLY
ABOARD
THIS SHIP.

WHERE
IS WILY
!?

BLOCKING
THE COM-

ALL
THREE
OF THE

ARE

THOSE

THEM...

IF YOU
